PRINCIPAL'S MESSAGE ...

Dear Parents and Students,

A warm and heartfelt welcome to the academic session 2025–26.

Nestled amidst serene surroundings, DAV Public School, MCL Basundhara, continues its unwavering commitment to delivering quality education that nurtures the holistic development of every learner. Guided by a team of devoted and passionate educators, our school remains steadfast in its mission to empower students through experiential learning. We believe that each child possesses a unique potential that, when nurtured with care and creativity, blossoms into brilliance.

Our thoughtfully curated Almanac serves as a roadmap for the academic year. It not only outlines scholastic and co-scholastic activities but also provides clarity on examination schedules and school policies. Moreover, it strengthens the essential bridge of communication between parents and educators, fostering a collaborative environment that supports every child's growth.

At DAV, we embrace the evolving nature of education, inspiring our students to rise to their fullest potential. We instill in them the strength to face life's challenges with courage, the wisdom to find purpose in adversity and the resilience to transform obstacles into opportunities.

As they journey through the ever-changing landscape of learning and life, may our students always walk forward—undaunted, purposeful, and filled with hope.

**In the gallery of dreams, let perseverance create,
Through every trial, let resolve elevate.
With challenges met, let resilience gleam,
For every struggle fuels a greater dream.**

OUR SCHOOL

Brimming with the nectar of inspiration and unflinching confidence of Swami Dayanand Saraswati with an aim to experience life in the true sense of possessing an attitude of altruism, Mahatma Hansraj found out the real essence of truth against falsehood, ignorance and illiteracy by virtue of education. This paved the path for him to start the DAV movement, which really keeps the Vedic values alive and ebullient designing holistic human beings with unconditional care and with proactive approach to uphold the sanctity of education.

Thus, this momentous movement worked as a great motivational momentum in setting up DAV Public School in MCL Basundhara to impart quality education to students and infuse the moral and spiritual values in them. DAV College Management set up the school on 14 September in 1998 with the support of MCL with 07 teachers to cater to the educational needs of 60 students of the locality of MCL Basundhara of Sundargarh, Odisha initially. Since then the school has been providing the students with quality education to make them civilized and spiritually empowered human beings. The school has been affiliated to CBSE.

The incessant support of MCL has enabled us to savour the singular success in the field of art, culture, sports and academics creating opportunities for a great number of students dispelling the darkness of ignorance. With specific aims and objectives, the school stresses on the holistic development of the students as far as their personality in society matters in particularly concerning the Indian context. The students are motivated to cultivate good habits like personal hygiene, neatness of uniform, cleanliness of surroundings, graceful manners, obedience and discipline. Our school emphasizes personal attention and care for every child, the attribute which automatically springs from the highly motivated and dedicated teachers of our school who first take the initiative which later acts like an impetus for the students to act further.

Stress comes to an end when learning is joyful. So, our teachers with their interesting style of teaching embrace project activity, play-way method, displaying, experimentation micro and structural way of teaching.

While learning by doing is the cornerstone of NEP-2020, DAV Public School, MCL, Basundhara believes in the amalgamation of Science and Technology with the ancient values of the Vedic Culture which really aims in instilling the values of being practical, honest, dutiful, and patriotic with a complete sense of devotion in the heart and mind of the students and these students become a role model for others to follow them.

Our Mission

Our mission, preparing, inspiring and educating our students to be practically able to do something as per their cherished penchant, makes us feel proud that our students later become great thinkers whose reflections stand out socially, nationally and globally.

Our Vision

Our vision is to build the capacity of our students in team work so that they will not feel estranged in later life but will be able to lead their life despite spiteful adversity and will be responsible and performing citizens, maintain integrity and cordial relationship with the help of holistic teaching and parental community at large.

“Learning is a treasure that will follow its owner everywhere.” – Chinese Proverb – Aventuras

OUR HOUSE SYSTEM

The house system is devised to promote team spirit, a sense of belongingness and ownership among students of the school. Also, this enables the senior students of the school to provide care and direction to their junior schoolmates. The House System provides excellent opportunities for student leadership and peer group support. Our school also provides excellent chances to our students by placing them in four houses in the name of great philosophers and educationists. So, the students feel quite privileged to be part of houses namely Dayanand, Hansraj, Shraddhanand and Vivekanand.

FUNCTIONS OF HOUSE:

1. Each house has a flag of its own colour, a 'House Master' assisted by a group of teacher associates , a house captain & a vice-captain to organize different activities.
2. The 'Head Boy' and the 'Head Girl' assist the CCA Coordinators for the smooth conduct of different activities.
3. The 'House on Duty' conducts the Morning Assembly for a week.
4. Morning assembly plays a very important part of school culture, helping to strengthen the way a school works and students to gather a lot of energy to do well and be good in their day. The school starts each working day with the Morning Assembly, which is conducted house wise for the whole week and fills the atmosphere with positive vibe of Vedic Mantra, Mass Prayer, Pledge Thought of the Day ,Word of the Day, News, recitation and speeches in English and Hindi, DAV Anthem, State anthem, National Anthem, teachers' talk and many more. Morning assembly teaches our students values like team spirit and self-confidence. This is our pride that our students get a very realistic exposure to express and present their creativity on this platform.
5. We feel delighted to say that the students are exposed to a wide gamut of creativity. We help them to cultivate their talent by organising 'Display Board' competitions in which they can showcase their creative skills and innovative ideas.
6. House on duty plays a vital role in maintaining discipline of arrival and departure of students along with other teachers.
